Join us for an **exclusive webinar** where we will launch **Milestone's brand-new eBook**, *IT'S TIME TO DO BETTER: A Practical Guide to Optimizing the Pre-Analytical Workflow*. This insightful resource delves into the critical importance of how biological material is handled from its collection in the operating room all the way through to the stained slide. **Understanding the pre-analytical phase is key to ensuring better specimen quality and more accurate results.**

At Milestone, we are passionate about our vision that the era of **IT'S TIME TO DO BETTER** must begin now. We are committed to revolutionizing workflows in pathology by providing cutting-edge solutions that empower pathologists, histologists, and technicians to enhance their work with precision and efficiency.

All registrants will get **early access to our brand-new eBook**. Get ahead of the curve and be empowered to make meaningful improvements in your practice. Don't miss out—join us and be a key player in shaping the future of pathology!

April  
15th
